Fermentation: top

Colour: golden

Degrees Plato: 10,5

IBU: 48

Description: An opalescent colored IPA, with a fresh and captivating taste. The malted aromas, pils and pale, balance the hops, with a honey flavor. The hopping, occurring several times throughout the production process, results in a variety of aromas, from the grassy to the citrus ones, and ends in a dry and persistent bitterness. It is a complex beer that can be drunk at every time of the day.
